Honourable Kevin Falcon
Minister of Transportation

VIA FACSIMILE 250-356-2290

Dear Hon. Falcon,

With respect to the Highway 97 access to Spruce/Ford Street with a Southbound Left-Turn Lane, I have had some time to review the proposal.

Based on what I have reviewed, for example, the engineering perspective, the support of local businesses, and of local residents, I am in support of the upgrade of Highway 97 to access Spruce/Ford Street with a Southbound Left-Turn Lane, to be completed with the Simon Fraser Bridge Twinning Project.

I also understand that supporting businesses are willing to financially contribute to this upgrade of Highway 97 to access Spruce/Ford Street with a Southbound Left-Turn Lane.

Sincerely,

Dick Harris, MP
